

**WCSP  
PSYCHOTHERAPY SERVICE  
FEE GUIDE**

**NOTE: This is general GUIDE to be used when determining a patient's fee.**

**A full discussion of clinical issues surrounding fee setting must take place between supervisor and candidate before a fee is set. The two together will determine the appropriate fee for the specific patient.**

**Factors to take into consideration when adjusting or modifying these income guides include total family income, family size, divorce and child support, recent illness, loss of employment.**

**Fee may be lower than \$30/session if necessary and only if supervisor approves.**

**Initial screening fee of \$60.00 for all patients and all programs due at FIRST visit.**

**Adult screening – up to two sessions**

**Couples screening – up to two sessions**

**Child/Adolescent screening – up to three sessions**

**Sliding Scale Fee Per Session**

**Based on Total Family Income:**

**\$0 - \$49,000 = \$30.00**

**\$50,000 - \$74,000 = \$40.00**

**\$75,000 – \$100,000 = \$50.00**

**OVER \$100,000 TO BE DETERMINED by Supervisor & Candidate**
