

Understanding WCSPP's Two Different Email Groups

What is the Listserv?

The Listserv is an email group set up for all dues-paying members of WCSPP's Psychoanalytic Association (PA.) Anyone in the Listserv group can send an email to the entire group by addressing the email to "wcspp@googlegroups.com". Postings go out to every Listserv member. Topics include referrals, upcoming events, office rentals, good articles, books or movies related to psychoanalysis, and other information relevant to the WCSPP community.

How do I know if I got an email from the Listserv?

In the "To" section of the email, you will see "wcspp@googlegroups.com". If "googlegroups.com" is part of the email it is from a member of the Listserv, and it has been sent to the entire group.

What Listserv etiquette should I know?

The Listserv is a very effective communication tool for the WCSPP community, however, the volume of messages can be high, so please keep in mind the following points:

1. Please use a descriptive subject line such as "Cigna therapist needed for 6 y.o. girl – Rye area"
2. Referrals should be responded to privately by selecting "REPLY," answering only the original poster. "REPLY ALL" sends an email to all members on the Listserv, which becomes cumbersome.
3. If your email is not therapy related (e.g., looking for a roofer), begin subject line with "NT" which indicates the topic is "not therapy."
4. Be judicious in messages and responses to the entire Listserv—consider whether it is of interest to everyone or just the original poster. Avoid "I agree" or "Thanks" messages to everyone.

How do I join or change my membership in the Listserv?

To join or to update your information, contact WCSPP's Bill Behr at goldenbehr@outlook.com. To unsubscribe, please follow the unsubscribe information which is found at the bottom of all emails sent from the Listserv.

How is the Mailchimp Subscription List different than the Listserv?

Emails sent to the Mailchimp Subscription List are primarily focused on WCSPP events and information, and are pre-approved communications and flyers sent by WCSPP administration to about 5,000 internal and external subscribers who have expressed interest in WCSPP. There may be some overlap in emails you receive from the two lists.

How do I know if I got an email from the Mailchimp Subscription List?

Subscription List emails are labeled "WCSPP Events & Opportunities" and are sent from info@wcspp.org. There will be a Mailchimp logo at the bottom of the email.

How do I add or change my membership to the Mailchimp Subscription List?

1. Go to www.wcspp.org and scroll to the bottom of the homepage
2. In the center, you will see "Join Our Email List"
3. Please enter your email address and click the "Subscribe Now" button.
